## INDEPENDENT AUDITOR'S REPORT

To the Members of Kolkata Metropolitan South City Development Limited  
Report on the Audit of the Ind AS Financial Statements

### Opinion

We have audited the Ind AS financial statements of Kolkata Metropolitan South City Development Limited ("the Company"), which comprise the balance sheet as at 31st March 2021, and the statement of Profit and Loss, statement of changes in equity and statement of cash flows for the year ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, its loss, its changes in equity and its cash flows for the year ended on that date.

### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Ind AS financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Other Information

The Company's Board of Directors is responsible for the other information.

Our opinion on the Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Ind AS financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### **Responsibility of Management and Those Charged with Governance for Ind AS Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

#### **Auditor's Responsibilities for the Audit of the Ind AS Financial Statements**

Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Website : [www.skagrawal.co.in](http://www.skagrawal.co.in)

EMAIL : [Info@skagrawal.co.in](mailto:Info@skagrawal.co.in)

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Ind AS financial statements, including the disclosures and whether the Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Ind AS financial statements that, individually or in aggregate, make it probable that the economic decisions of a reasonably knowledgeable user of the Ind AS financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Ind AS financial statements.

We also communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

## Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure "B" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid Ind AS financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act read with relevant rules issued thereunder.

- (e) On the basis of the written representations received from the directors as on 31<sup>st</sup> March, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31<sup>st</sup> March, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- (g) With respect to the matter to be included in the Auditor's Report under section 197(16)  
In our opinion and according to the information and explanation given to us, no remuneration has been paid by the Company to its directors during the current year and accordingly the provisions of section 197 of the Act is not applicable.
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- The Company does not have any pending litigations which would impact its financial position in its Ind AS financial statements.
  - The Company does not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
  - There has been no such sum which needs to be transferred to the Investor Education and Protection Fund by the Company.

## **ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT**

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

### **Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Subsection 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **Kolkata Metropolitan South City Development Limited** ("the Company") as of March 31, 2021 to the extent of records available with us in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

#### **Management's Responsibility for Internal Financial Controls**

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Ind AS financial statements.

#### Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company.

## ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

- i. According to the information and explanations given to us and on the basis of our examination of the books of account, the company does not have any fixed assets. Accordingly, the provisions of this clause of the Order are not applicable.
- ii. According to the information and explanations given to us, the inventory has been physically verified during the year by the management at regular intervals. In our opinion, the frequency of such verification is reasonable. No material discrepancies were noticed on physical verification.
- iii. The Company has not granted any loans, secured or unsecured to companies, firms, LLP or other parties covered in the registered maintained under Section 189 of the Companies Act, 2013. Accordingly, the provisions of this clause of the Order are not applicable.
- iv. In our opinion and according to the information and explanations given to us, the Company has not given any loan to directors or given any guarantee or security in connection with the loan.
- v. In our opinion and according to the information and explanations given to us, the Company has not accepted any deposit from the public in accordance with the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the rules framed thereunder. Accordingly, paragraph 3 (v) of the Order is not applicable to the Company.
- vi. The Maintenance of Cost Records as specified by the Central Government under section 148(1) of the Act is not applicable to the Company. Accordingly, the provisions of this clause of the order are not applicable to the Company.
- vii. According to the information and explanations given to us, in respect of statutory dues:
  - (a) The Company has generally been regular in depositing undisputed statutory dues, including Income Tax, Goods and Service Tax and other material statutory dues applicable to it with the appropriate authorities.
  - (b) There were no undisputed amounts payable in respect of Income Tax, Goods and Service Tax and other material statutory dues in arrears as at March 31, 2021 for a period of more than six months from the date they became payable.
- viii. In our opinion and according to the information and explanations given to us by the management, the Company has not taken any loans and borrowings from financial institutions, banks, Government or debenture holders during the year.
- ix. The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) or through term loans during the year.
- x. To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company or no fraud on the Company by its officers or employees has been noticed or reported during the year.
- xi. According to the information and explanations given to us, the Company has not paid or provided any managerial remuneration to the managerial personnel. Accordingly, the provisions of this clause of the Order are not applicable to the Company.

**KOLKATA METROPOLITAN SOUTH CITY DEVELOPMENT LIMITED**  
Statement of Cash Flows for the year ended 31st March, 2021 (Contd.)

**Notes :**

(a) The above Cash Flow Statement has been prepared under the "Indirect Method" as set out in the Indian Accounting Standard (Ind AS - 7) - Statement of Cash Flow.

Pariculars	Amount in Rs.	
	As at 31.03.2021	As at 31.03.2020
Cash and Cash Equivalants comprises of		
Cash in hand	465	465
Balances with banks:		
– On current accounts	26,825	10,967
– Deposits with original maturity of less than three months		
<b>Cash and Cash Equivalants in Cash Flow Statement</b>	<b>27,290</b>	<b>11,432</b>

**(c) Amendment to Ind AS 7**

The amendments to Ind As - 7 Cash Flow Statements requires the entities to provide disclosures that enable users of financial statements to evaluate changes in liabilities arising from financing activities including both changes arising from cash flows and non-cash changes suggesting inclusion of a reconciliation between opening and closing balances in the balance sheet for liabilities arising from financing activities to meet the disclouser requirment. This amendment has become effective from 01.04.2017 and the required disclouser is made below. There is no other impact on the financial statements due to this amendment .

**KOLKATA METROPOLITAN SOUTH CITY DEVELOPMENT LIMITED**  
**NOTES TO FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED MARCH 31, 2021**

**1. Corporate Information**

Kolkata Metropolitan South City Development Limited (referred to as “the Company”) is a public limited company established in 1995 under the Companies Act applicable in India. The Company is engaged in the business of real estate. The Company is domiciled in India and has its registered office at 375, Prince Anwar Shah Road, Jadavpur, Kolkata – 700068.

**2. Basis of Preparation of financial statements**

**a) Compliance with INDAS**

For all periods up to and including the year ended 31 March 2017, the Company prepared its financial statements in accordance with accounting standards notified under the section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (Indian GAAP). The financial statements for the year ended 31<sup>st</sup> March 2018 are the first financial statements which the Company has prepared in accordance with Indian Accounting Standards (“Ind AS”) including the Ind AS specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.

The financial statements were approved for issue in accordance with a resolution of the Board of directors.

**b) Historical cost convention**

The financial statements have been prepared on going concern basis in accordance with the accounting principles generally accepted in India. Further, the financial statements have been prepared on historical cost basis, except for certain assets and liabilities which have been measured at fair values as explained in relevant accounting principles.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

**3. Summary of Significant Accounting Policies**

**3.1. Operating Cycle**

All assets and liabilities have been classified as current or non-current as per the Company’s normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as sixty months for ongoing projects and twelve months in case of completed projects for the purpose of current- noncurrent classification of assets and liabilities.

**3.2. Fair Value Measurement**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- a) In the principal market for the asset or liability, or
- b) In the absence of a principal market, in the most advantageous market for the asset or liability

**KOLKATA METROPOLITAN SOUTH CITY DEVELOPMENT LIMITED**  
**NOTES TO FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED MARCH 31, 2021**

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their best economic interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

### **3.3. Use of Estimates**

The preparation of financial statements in conformity with Ind AS requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities during and at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

### **3.4. Cash and Cash Equivalents**

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

### **3.5. Inventories**

Raw materials, Construction work-in-progress are stated at the lower of cost and net realisable value. Cost of inventories comprise all cost of purchase including cost of land, borrowing cost, development costs and other cost incurred in bringing them to their present location and condition. The cost, in general, is determined using weighted average cost method.

Contract cost incurred related to future activity of the contract are recognised as an asset provided it is probable that they will be recovered during the contract period. Such costs represent the amount due from customer and are often classified as Construction work-in-progress.

### **3.6. Provisions and Contingencies**

A provision is recognized when an enterprise has a present obligation (legal or constructive) as a result of past event; it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The expense relating to a provision is presented in the statement of profit and loss.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

### 3.7. Earnings per Share

Basic Earnings per Share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources.

### 3.8. Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

#### A. Financial assets

##### i. Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

##### ii. Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in two categories:

- a. Debt instruments at amortised cost
- b. Equity instruments measured at fair value through other comprehensive income FVTOCI

**B. Financial liabilities**

**i. Initial recognition and measurement**

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, investment in subsidiaries and joint ventures, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts and derivative financial instruments.

**ii. Subsequent measurement**

The measurement of financial liabilities depends on their classification, as described below:

**Financial liabilities at fair value through profit or loss**

Financial liabilities at fair value through profit or loss include derivatives, financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risks are recognized in OCI. These gains/ losses are not subsequently transferred to P&L. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit or loss.

**Offsetting of financial instruments**

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

**Note 15. Earnings Per Share (EPS)**

Basic EPS amount is calculated by dividing the profit for the year attributable to equity holders of the Company by the weighted average number of equity shares outstanding during the year.

Diluted EPS amount is calculated by dividing the profit attributable to equity holders of the Company by the weighted average number of equity shares outstanding during the year plus the weighted average number of equity shares that would be issued on conversion of all the dilutive potential equity shares into equity shares.

The following reflects the income and share data used in the basic and diluted EPS computations:

	<b>Amount in Rs.</b>	
	<b>2020-21</b>	<b>2019-20</b>
Net Profit for calculation of Basic and Diluted Earnings Per Share	(23,000)	(21,350)
Weighted average number of shares (Nos.)	2,00,000	2,00,000
Earning per equity share		
Basic & Diluted Earning Per Share (₹)	(0.12)	(0.11)

## Notes to Financial Statements for the year ended 31st March, 2021

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the Financial Statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur. In the process of applying the Company's accounting policies, management has made the following judgements, estimates and assumptions, which have the most significant effect on the amounts recognised in the Financial Statements:

The assessments undertaken in recognising provisions and contingencies have been made in accordance with the applicable Ind AS. A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Where the effect of time value of money is material, provisions are determined by discounting the expected future cash flows. The Company has significant capital commitments in relation to various capital projects which are not recognized on the balance sheet.

In the normal course of business, contingent liabilities may arise from litigation and other claims against the Company. Guarantees are also provided in the normal course of business. There are certain obligations which management has concluded, based on all available facts and circumstances, are not probable of payment or are very difficult to quantify reliably, and such obligations are treated as contingent liabilities and disclosed in the notes but are not reflected as liabilities in the financial statements. Although there can be no assurance regarding the final outcome of the legal proceedings in which the Company is involved, it is not expected that such contingencies will have a material effect on its financial position or profitability.

Notes to Financial Statements for the year ended 31st March, 2020

**Note 18. Information on Joint Venture Entities**

Description of Company's interest in the Joint Venture Company

Name of the Entity	As at		As at	
	Proportion of Interest	Country of Incorporation	Proportion of Interest	Country of Incorporation
South City Projects (Kolkata) Ltd.	49.97%	India	49.97%	India
Kolkata Metropolitan Development Authority	49.98%	India	49.98%	India

KMDA by way of advertisement dated 10/12/2007 in various newspapers had invited bids for development of residential cum commercial projects. South City & Merlin were willing to participate in the bidding process and therefore formed a consortium which was termed as "South City Merlin Consortium". Subsequent to the acceptance of the consortium's bids, MOU dated 17/12/2007 was executed by which 4.40 acres land (the Said Land) was allotted in favour of Consortium by the KMDA. The Consortium as consideration paid an amount of Rs. 11.41 crore to the KMDA and MOU was entered into, as aforesaid.

As the entire project was to be carried out on a joint venture basis, a new company was floated in the name and style of M/s. Kolkata Metropolitan South City Development Ltd. (KMSCDL) with authorised share capital of Rs. 100.00 Lacs. The Consortium had agreed to subscribe 4,99,700 Equity Shares of Rs. 10/- each aggregating to Rs. 49.97 Lacs by signing the Memorandum of Association of aforesaid KMSCDL. However, due to encroachment within the said land, KMDA couldn't able to handover the said land to the Consortium and accordingly the matter was turned into litigation for non - handing over of land and also for refund of money.. Further to be noted that a Supplemental MOU dated 16/11/2011 was executed where in total area of land was revised to 3.67 Acres.

In spite of repeated requests and reminders, KMDA did not handover the said land. The Consortium subsequently requested for refund of sum paid to KMDA together with interest as well as reimbursement of expenses incurred. On the failure of KMDA, the consortium invoked the Arbitration Clause contained in the said MOU for adjudicating the disputes. Finally, in terms of the section 11 of Arbitration and Conciliation Act, 1996, Mr. Jayanta Kumar Mitra was appointed as Sole Arbitrator.

The said Arbitration proceeding has now been completed and the Ld. Sole Arbitrator has also given the Award on 22/06/2020, subsequently modified on 14.08.2020. In terms of the said award, KMDA has been directed to pay (i) the principal sum of Rs. 11.41 crores, (ii) Interest on the said Principal sum @15% per annum from 17/12/2007 to till date of Rs. 21.25 crores, (iii) Rs. 62.33 lacs towards damages by way of expenses incurred by the Consortium towards preliminary and other expenses and (iv) Rs. 22.43 lacs towards interest on Rs. 62.33 lacs and (v) Rs. 100 for damage on prayer (c) of the Statement of Claim and (vi) Costs of the proceedings of Rs. 45,00,000. However, the claim of damages of the Consortium has not been allowed.

Being aggrieved with the said Award, KMDA has moved before the Hon'ble High Court to quash the said Award. The Consortium has also filed an application before the Hon'ble High Court against the said award for not allowing damages. Hence, the matter is now pending before the Hon'ble High Court.

Gearing Ratio	93%	93%

**Note 20. Financial Risk Management Objectives and Policies**

The Company's principal financial liabilities, other than derivatives, comprise borrowings and trade payables. The main purpose of these financial liabilities is to finance the Company's working capital requirements. The Company has various financial assets such as trade receivables, loans, investments, short-term deposits and cash & cash equivalents, which arise directly from its operations. The Company enters into derivative transactions by way of forward exchange contracts to hedge its payables.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's Board of Directors oversees the management of these risks. The Company's Board of Directors is supported by the Business Process and Risk Management Committee (BPRMC) that advises on financial risks and the appropriate financial risk governance framework for the Company. The BPRMC provides assurance to the Company's Board of Directors that the Company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. All derivative activities for risk management purposes are carried out by personnel that have the appropriate skills, experience and supervision. It is the Company's policy that no trading in derivatives for speculative purposes may be undertaken. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarised below.

**Market Risk**

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market factors. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk, liquidity risk and commodity risk. Financial instruments affected by market risk include loans and borrowings, deposits, FVTOCI investments and financial derivative.

The sensitivity analyses in the following sections relate to the position as at 31 March 2021 and 31 March 2020.

The sensitivity analyses have been prepared on the basis that the amount of net debt, the ratio of fixed to floating interest rates of the debt and derivatives and the proportion of financial instruments in foreign currencies are all constant at 31 March 2021.

The analyses exclude the impact of movements in market variables on: the carrying values of gratuity and other post-retirement obligations.

The following assumptions have been made in calculating the sensitivity analyses:

- ▶ The sensitivity of the relevant profit or loss item is the effect of the assumed changes in respective market risks. This is based on the financial assets and financial liabilities held at 31 March 2021 and 31 March 2020
- ▶ The sensitivity of equity is calculated as at 31 March 2021 for the effects of the assumed changes of the underlying risk

**Interest Rate Risk**

The Company has incurred short term debt to finance its working capital, which exposes it to interest rate risk. Borrowings issued at variable rates expose the Company to interest rate risk. Borrowing issued at fixed rates expose the Company to fair value interest rate risk. The Company's interest rate risk management policy includes achieving the lowest possible cost of debt financing, while managing volatility of interest rates, applying a prudent mix of fixed and floating debt through evaluation of various bank loans and money market instruments.

Some of the Company's borrowings are index linked, that is their cost is linked to changes in the London inter-bank offer rate (Libor).

Although the Company has significant variable rate interest bearing liabilities at March 31, 2021, there would not be any material impact on pretax profit of the Company on account of any anticipated fluctuations in interest

**Liquidity risk**

The Company monitors its risk of a shortage of funds using a liquidity planning tool.

The Company's objective is to maintain a balance between continuity of funding and flexibility through the use of bank overdrafts, cash credit facilities and buyers' credit facilities. The Company assessed the concentration of risk with respect to refinancing its debt and concluded it to be low. The Company has access to a sufficient variety of sources of funding and debt.

The table below summarises the maturity profile of the Company's financial liabilities based on contractual undiscounted payments.

	Amount in Rs.			
	Less than 1 year	1-5 years	More than 5 years	Total
<b>31st March, 2021</b>
