Independent Auditors' Report

To the Members of Kolkata Metropolitan South City Development Limited

Report on the Ind AS Financial Statements

We have audited the accompanying Ind AS Financial Statements of Kolkata Metropolitan South City Development Limited ("the Company") which comprise the Balance Sheet as at 31st March, 2018, the Profit and Loss (including the Statement of other comprehensive income), the Statement of Changes in Equity and the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information (herein after referred to as "the Ind AS Financial statements").

Management's Responsibility for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these Ind AS Financial Statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and read with the Rules issued there under and the Order issued under section 143(11) of the Act.

We have conducted our audit of the Ind AS Financial Statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Ind AS financial statements that give a true and fair view in order

to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Ind AS financial statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2018, and its Loss including other comprehensive income, the changes in equity and its Cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

- As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order to the extent applicable.
- 2. As required by section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Cash Flows and the Statement of Changes in Equity dealt with by this report are in agreement with the books of account;
 - (d) In our opinion, the accompanying Ind AS financial statements comply with the Accounting Standards specified under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended;
 - (e) On the basis of written representations received from the Directors as on 31st March, 2018, and taken on record by the Board of Directors, none of the Directors is disqualified as on 31st March, 2018 from being appointed as a director in terms of Section 164 (2) of the Act;
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B"; and

Annexure B to the Independent Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Kolkata Metropolitan South City Development Limited ("the Company") to the extent records available with us in conjunction with our audit of the Ind AS financial statements of the company as of and for the year ended 31st March, 2018:

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance note on Audit of internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Chartered Accountants Firm Registration No. 306033E SUITE NOS: 606-608

THE CHAMBERS, OPP. GITANJALI STADIUM 1865, RAJDANGA MAIN ROAD, KASBA

KOLKATA - 700 107

FAX: 033-40089905, Website: www.skagrawal.co.in

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Ind AS financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in Guidance Note on Audit of Internal Financial Control over Financial Reporting issued by the ICAI.

Kolkata Metropolitan South City Development Limited Statement of Cash Flows for the year ended 31 March 2018 (Contd.)

Notes:

(a) The above Cash Flow Statement has been prepared under the "Indirect Method" as set out in the Indian Accounting Standard (Ind AS - 7) - Statement of Cash Flow.

(b) Amount in Rs.

Pariculars	As at 31,03,2018	As at 31.03.2017
Cash and Cash Equivalents comprises of		
Cash in hand	465,00	465.00
Balances with banks:		
- On current accounts	33,466.50	45,381.50
- Deposits with original maturity of less than three months	1	
Cash and Cash Equivalents in Cash Flow Statement	33,931.50	45,846.50

(c) Amendment to Ind AS 7

The amendments to Ind As - 7 Cash Flow Statements requires the entities to provide disclosers that enable users of financial statements to evaluate changes in liabilities arising from financing activities including both changes arising from cash flows and non-cash changes suggesting inclusion of a reconciliation between opening and closing balances in the balance sheet for liabilities arising from financing activities to meet the disclosser requirement. This amendment has become effective from 01.04.2017 and the required disclosser is made below. There is no other impact on the financial statements due to this amendment.

KOLKATA METROPOLITAN SOUTH CITY DEVELOPMENT LIMITED NOTES TO FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED MARCH 31, 2018

1. Corporate Information

Kolkata Metropolitan South City Development Limited (referred to as "the Company") is a public limited companyestablished in 1995 under the Companies Act applicable in India. The Company is engaged in the business of real estate. The Company is domiciled in India and has its registered office at 375, Prince Anwar Shah Road, Jadavpur, Kolkata – 700068.

2. Basis of Preparation of financial statements

a) Compliance with INDAS

For all periods up to and including the year ended 31 March 2017, the Company prepared its financial statements in accordance with accounting standards notified under the section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (Indian GAAP). These financial statements for the year ended 31" March 2018 are the first financial statements which the Company has prepared in accordance with Indian Accounting Standards ("Ind AS") including the Ind AS specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended Refer to Note 17 for information on how the Company adopted Ind AS.

The financial statements were approved for issue in accordance with a resolution of the Board of directors on 21-06-2018.

b) Historical cost convention

The financial statements have been prepared on going concern basis in accordance with the accounting principles generally accepted in India. Further, the financial statements have been prepared on historical cost basis, except for certain assets and liabilities which have been measured at fair values as explained in relevant accounting principles.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

3. Summary of Significant Accounting Policies

3.1. Operating Cycle

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as twelve months for the purpose of current-noncurrent classification of assets and liabilities.

3.2. Fair Value Measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the hability takes place either:

In the principal market for the asset or liability, or

celleta Metropolitan South City Development Ltd.

Kaikata Metropolitan South City Development Ltd.

KOLKATA METROPOLITAN SOUTH CITY DEVELOPMENT LIMITED NOTES TO FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED MARCH 31, 2018

 In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their best economic interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

3.3. Use of Estimates

The preparation of financial statements in conformity with Ind AS requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities during and at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

3.4. Cash and Cash Equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and shortterm deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

3.5. Inventories

Raw materials, Construction work-in-progress are stated at the lower of cost and net realisable value. Cost of inventories comprise all cost of purchase including cost of land, borrowing cost, development costs and other cost incurred in bringing them to their present location and condition. The cost, in general, is determined using weighted average cost method.

Contract cost incurred related to future activity of the contract are recognised as an asser provided it is probable that theywill be recovered during the contract period. Such costs represent the amount due from customer and are often classified as Construction work-in-progress.

3.6. Provisions and Contingencies

A provision is recognized when an enterprise has a present obligation (legal or constructive) as result of past event; it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The expense relating to a provision is presented in the statement of profit and loss.

Kolkata Metropolitan South City Davelopment Ltd.

Kolkala Metropolitan South City Development Ltd.

KOLKATA METROPOLITAN SOUTH CITY DEVELOPMENT LIMITED NOTES TO FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED MARCH 31, 2018

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

3.7. Earnings per Share

Basic Earnings per Share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources.

3.8. Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

A. Financial assets

i. Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

ii. Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in two categories:

- a. Debt instruments at amortised cost
- Equity instruments measured at fair value through other comprehensive income FVTOCI

Kolkata Metropolitan South City Development Ltd.

wowala Metropolitan South City Devalopment Ltd.

KOLKATA METROPOLITAN SOUTH CITY DEVELOPMENT LIMITED NOTES TO FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED MARCH 31, 2018

B. Financial liabilities

i. Initial recognition and measurement

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, investment in subsidiaries and joint ventures, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts and derivative financial instruments.

ii. Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include derivatives, financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risks are recognized in OCL. These gains/ loss are not subsequently transferred to P&L. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit or loss.

Trade Payables

These amounts represent liabilities for goods and services provided to the company prior to the end of the financial year. The amounts are generally unsecured Trade Payables are presented as Current Liabilities unless payment is not due within the company's operating cycle. They are recognised initially at their fair value and subsequently measured at amortised cost.

3.9. Rounding off

All amounts disclosed in the financial statements and notes have been rounded off to the nearest Rupees as per the requirement of Schedule III to the Act, unless otherwise stated.

Notes to financial statements for the year ended March 31, 2018

Note 14. Significant Accounting Judgements, Estimates and Assumptions

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Judgements, Estimates and Assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the Financial Statements were prepared Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances among that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur. In the process of applying the Company's accounting policies, management has made the following judgements, estimates and assumptions, which have the most significant effect on the amounts recognised in the Financial Statements:

Provisions and Contingencies

The assessments undertaken in recognising provisions and contingencies have been made in accordance with the applicable Ind AS. A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Where the effect of time value of money is material, provisions are determined by discounting the expected future cash flows. The Company has significant capital commitments in relation to various capital projects which are not recognized on the balance sheet.

In the normal course of business, contingent liabilities may arise from litigation and other claims against the Company. Guarantees are also provided in the normal course of business. There are certain obligations which management has concluded, besed on all available facts and circumstances, are not probable of payment or are very difficult to quantify reliably, and such obligations are treated as contingent habilities and disclosed in the notes but are not reflected as liabilities in the financial statements. Although there can be no assurance regarding the final outcome of the legal proceedings in which the Company involved, it is not expected that such contingencies will have a material effect on its financial position or profitability.

The Contipany and M/s. Merlin Projects Ltd. acting together in a consortium ealled "South City Merlin Consortium" was awarded 8.40 Acres of land in a competitive bid invited by the Kolicitz Metropolitan Development Authority (KMDA) for the development of Residential and Continuential sum Office Complex, fine a sum of Rs. 109.14 Coores (Bid Amount) on a joint venture basis. As per terms of Memorandam of Understanding (MOU) entered between the South City Merlin Consortium and KMDA, company has paid 10% of the bid amount to the KMDA along with an earnest money deposit of Rs. 50.00 lacs on execution of MOU. As the entire project was to be carried out on a joint venture basis, a new company was floated in the name and style of M/s. Kolkata Metropolitan South City Development Ltd. (KMSCDL) with authorised share capital of Rs. 1 Crose. The company has agreed to subscribe 4,99,700 liquity Shares of Rs. 10/- each aggregating to Rs. 49,97,000/cms/by signing the Memorandam of Association of aforesaid KMSCDL. However, the matter is under higheston. In view of this, the conspany has kept in above mentioned of Subscription amount of Rs. 49,97 Lacs. Further, it was found that due to indevention from KMDA, arronness description of the land was given in the above mentioned MOU. As such a Supplemental MOU dated 16/11/2011 was executed where in total area of land was revised to 3,67 Acres. Inspite of repeated requests and reminders, KMDA has not yet handover the land parcels. The Company requested for refund of sum paid to KMDA together with interest as well as reinhoursement of expenses incurred. On the failure of KMDA he consortium invoked the Arbitration Clause contained in the sand MOU by appointing fundical Amitava Lala (Retd.) to adjudicate the dispute. KMDA in course of the sittings before Justice Lala, raised objection as to his appointment as Arbitration and to have a new Arbitration appointed in terms of Section 11 of the Arbitration & Conscillation Acr, 1996.

Note 19. Financial Risk Management Objectives and Policies

The Company's principal financial liabilities, other than derivatives, comprise borrowings and trade payables. The main purpose of these financial habilities is to finance the Company's working capital requirements. The Company has various financial asserts such as trade receivables, loans, investments, them deposits and cash & cash equivalents, which arise directly from its operations. The Company enters into derivative transactions by way of forward exchange contracts to hedge its payables.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's Board of Directors oversees the management of these risks. The Company's Board of Directors is supported by the Business Process and Risk Management Commuter (BPRMC) that advises on financial risk governance framework for the Company's Brancial risk governance framework for the Company's Brancial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. All derivative activities for risk management purposes are carried out by personnels that have the appropriate skills, experience and supervision. It is the Company's policy that no trading in derivatives for speculative purposes may be undertaken. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarised below.

Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market factors. Market risk comprises three types of risk interest rate risk, currency risk and other price risk, such as equity price risk. Signifily risk and commodity risk. Financial instruments affected by market risk include loans and borrowings, deposits, PVTXCI investments and financial derivative.

The sensitivity analyses in the following sections relate to the position as at 31 March 2017 and 31 March 2016.

The sunsitivity analyses have been prepared on the basis that the amount of net debt, the ratio of fixed to floating interest rates of the debt and derivatives and the proportion of financial instruments in foreign currencies are all constant at 31 March 2017.

The analyses exclude the impact of movements in market variables on: the carrying values of graunty and other post-represent obligations.

The following assumptions have been made in calculating the sensitivity analyses:

- ➤ The sensitivity of the relevant profit or loss item is the effect of the assumed changes in respective market risks. This is based on the financial assets and financial liabilities held at 31 March 2017 and 31 March 2016
- ➤ The sensitivity of equity is calculated as at 31 March 2017 for the effects of the assumed changes of the underlying risk

Interest Rate Risk

The Company has incurred short term debt to finance its working capital, which exposes it to interest rate risk. For owing issued at fixed rates expose the Company to interest rate risk. The Company's interest rate risk interest rate risk. Borrowing issued at fixed rates expose the Company to fair value interest rate risk. The Company's interest rate risk interest rate is interest rate risk. The Company's interest rate risk interest rates, applying a product may of fixed and floating debt through avaluation of various bank loans and money market instruments.

Some of the Company's horrowings are index linked, that is their cost is linked to changes in the London inter-bank offer rate (Libor)

Although the Company has significant variable rate interest bearing liabilities at March 31, 2017, there would not be any material impact on pretex profit of the Company on account of any anticipated fluctuations in interest

Liquidity risk

The Company monitors its risk of a shortage of funds using a liquidity planning tool

The Company's objective is to maintain a balance between continuity of funding and flexibility through the use of bank overdurfts, such each facilities and buyers' credit facilities. The Company assessed the concentration of risk with respect to refinancing its debt and concluded it to be low. The Company has access to a sufficient variety of sources of funding and debt.
